Maternal Perfection Meets Unrivalled Performance

- Admire the muscle, softness and balance of one of the USA's most talked about young guns - Hallmark
- Deep bodied, big testicled bull with early masculinity who's been a standout in his contemporary group on paper and on the hoof
- Offers calving ease and rapid early growth with moderate intake genetics perfectly adapted for the modern Australian Angus animal
- A pedigree with purpose and focus, stacking strong maternal traits and udder quality on both sides of his pedigree
- Hallmarks outcross pedigree, data and phenotype makes him an ideal heifer mating option for Spring 2024
- US EPD's show Hallmark's unique heifer pregnancy and top of the breed marbling combination
- Ultra low GL paired with solid growth, huge +13.9 EMA and +3.2 IMF combination
